My name is Laura Bode-wig.
For some reason, I'm now living at the IS Acade-my.
CHARL'S REALLY BUSY IN THE MORNING
And this is my room-mate, Charlotte Dunois.
Oh no! It's this late already?
She's been making ruckus this morning. I wonder what hap-pened.
Maybe the ribbon would look better here.

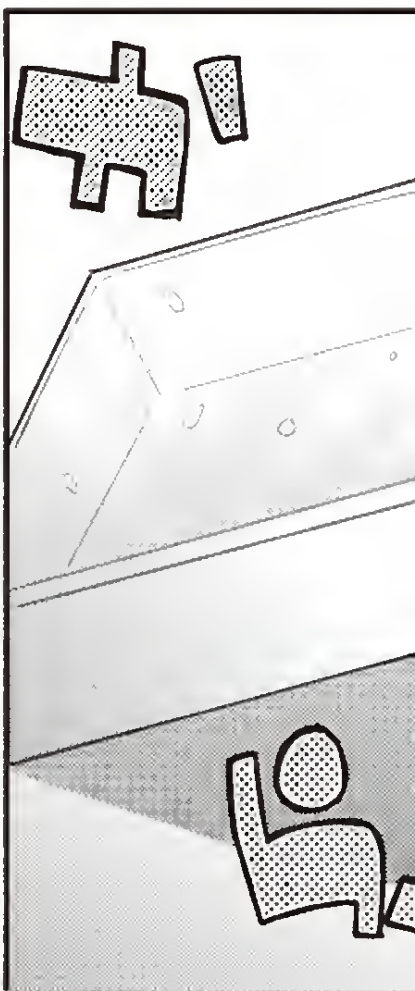
Don't you know that it's not ladylike to eat with your hands?
Besides, this is Ichika's. I made it for him.
I'll make you a bigger one next time, Laura.
ぎゅっ…
I see. I'm amazed you were this sneaky, Charlotte. Stealing someone's wife, huh.
I'm not doing such a thing!
Hmph. So, it's not really for me...
どーん
THE OCTOPUS WIENER!
Not to mention, it's my favorite!
And I won't accept it unless it red!
As your friend, I'll help you out.
You see, that lacks the most crucial thing.

もぐー!!
!?
HA!
WHAT !?!
Laura's acting like a bloodhound!

AAAH!
And I woke up early to make this...
Octopus wieners.

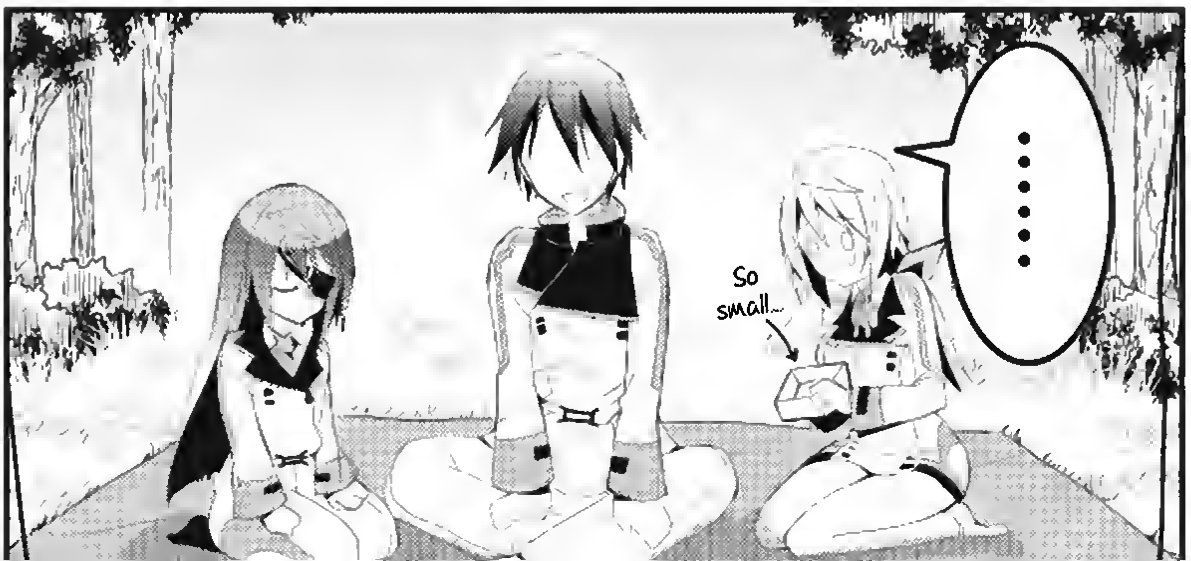


ガ!

Char-
lotte...

Octo-
pus
wie-
ners...

Make me
those...



So
small...

The more, the merrier.
Right, Charl?
Ichika...
Of course. I can't leave my hands alone with my sister-in-law.
Sister-in-law, huh...
Were you supposed to come along too, Laura?
Laura?
ムー!...
Ceez, Laura. Listen here. You won't grow if you're being picky with what you eat.
I clung to Ichika in the midst of things.

This is really good!
There's tea too
I made one too!
You have some rice here.
Oh, sorry!
Why?
Why am I feeling down?
Why?
The three of us eating like this isn't so bad at all.
However...

Ah, I'm stuffed!
It feels like the three of us are some sort of a family!
Is this what it feels like to have a little sister?
.....
Ah! Laura?
Char-lotte...
I take it back.
Well, that's just... A bit...
I wouldn't mind if you were my little brother, Ichika.
To Be Continued

I STILL WANT TO HAVE HIM TO MYSELF!
